

Dear Potential Sponsor:

The Deaf Empowerment and Advocacy Form (IRS/DEAF) is a 501(c)(3) not-for-profit organization that cultivates and empowers IRS Deaf leaders through leadership and professional development, community service, and cultural awareness. This program is designed for IRS/DEAF who host a networking event in order to support both Federal Deaf Employees and IRS/Deaf members.

On October 11, 2014 we are holding an event called Federal Deaf Employees Networking Day at Tyson Comfort Inn and are looking for potential sponsors from the community. Our goal is to provide interpreting service, CART service, awareness and reception. We offer different sponsorship opportunities to benefit your business, while expanding networking and awareness for both Federal Deaf Employees and IRS/DEAF.

Our mission is to promote the career advancement and leadership development of IRS Deaf professionals in the career fields. IRS/DEAF offers sponsors strategic ways to:

- Support Federal Deaf Employees networking efforts
- Enhance employees' opportunity through professional, leadership, and management skills
- Strengthen branding and public relations exposure to the IRS/DEAF professional community

We hope you choose to support our organization through one of our sponsorship opportunities.
