Dear XXXX

On behalf of IRS/DEAF organization I would like to thank you for your very generous sponsorship of the IRS/DEAF Leadership Training Program on October 9-11, 2014 and Federal Deaf Employee Networking Day on October 11, 2014. It has really sent a buzz through the Federal Deaf Employees and everyone connected with our organization. Because of your help the event was a huge success.

Thank you again for your generous sponsorship. The event could not have been possible without your support.

We look forward to your continued support in the future.

With very best regards

Vicki Lowen
